“ I met Ron about nine years ago at a little café on Lake June road with my cousin Becky Nelson I'm a little clumsy and I knocked the Tabasco sauce off and it broke Ron look down at it and I looked over and I said what did you do that for? Lol next morning me and Becky went back for coffee and I was putting or jelly plate between us Ron was sitting at the table next to us he handed me the Tabasco sauce and said here you go get it over with LOL Then he asked me if I would go out have dinner with them at night and I did it was one of the best decisions I've made my life
