“ *in 1979 or 1980 a friend said he needed to stop by and say hi to a friend. That friend was Steve, and that is when I met Steve and his girlfriend named Tina. I did not know 7 or 8 years later I would work at same place as Steve, RTI on Industrial Blvd. I knew him from work, some company after work softball games, and a few pasture parties.*

He was a good guy who cherished the good friends he grew up with, a good life not disconnected from those friends from Terrell, or that special girl named Tina he had his arm around 36 years ago.

“ I have worked at Stevens for 22 years and can honestly say that I have never met a more personable man than Steve. Always helpful, especially to a pain in the butt driver like me. If you were hauling Hershey you had better get it there on time. He expected that level of service and I was there to oblige. He will be sorely missed and I am still in shock. Rest in peace my friend.

“ *Always knew when candy season rolled around... Steve would remind that during the winter Hershey loads melted if they weren't delivered on time... But he never got overly stressed out about it. He always performed with a positive attitude and would step in to help if needed. He trained me when I first moved into the office. We always got along great. He's a person I've missed not being at Stevens. Now I'll have to wait a little longer before we meet again. Gods blessings to his family... The man you call dad, husband, brother or son... was truly a great man and y'all should know he touched so many lives. My prayers are with all of you.*

“ *Bruce and I know Steve through Mesquite Baseball. Bruce has umped with him over the years and just recently this fall. I know him as the nice ump getting a Gatorade before or after his game at the concession stands. We did not know until tonight that Steve is Bobbys brother. We've known Bobby and Teresa for many years at Mimosa Lane Baptist Church. Our thoughts and prayers are with all of you. Blessed be his memory.*
