“ *I had a tremendous crush on her when in junior high school. She was a fantastic girl and I wanted her to be my girlfriend, but somehow things never worked out. She was so beautiful and had such an innocent presence about her. I had always wondered what became of her over the years. Just thought I would give my condolences to her and her family. So sorry for uh our loss.*

“ I will miss my dear friend! An amazing woman. We were out of state when I found out about her passing and was shocked and saddened. Not surprised that she told so few people of her illness. She didn't want people to fuss over her and we would have. God bless you Susan! The world is a better place because of you!

I spent every Wednesday 2 hours with her for the last 3 years. Sharing lunch and recipes. She taught me so much on clean cooking and living. Doing her manicures and pedicures. Just touching her was a honor. I just realized how much of a legacy shes left with me and my husband. Also my coworkers. Good memories. I will miss her dearly. She was an amazing woman. I will never forget her. I will always love and miss as long as I live. I love you Susan. Even my shop is in the middle of nowhere. She knew where she was loved. Xo

“ Oh dear... It was another lifetime ago that I remember Susan as the "big sister" to Kathy, Mary and their little sisters as we played together in the 4300 block of McFarlin. Such wonderful memories of Susan and the entire Roberts family. The Neely's will always have a wonderful connection with the Roberts family through our shared childhoods. Much love to all, from Wilson Neely

“ Susan was a fount of knowledge and a mentor to me about all things dietary and flora but, most of all, she was a friend. I have many wonderful memories of outings to favorite restaurants, North Haven Gardens, Blue Moon Gardens, and shopping expeditions for interesting culinary products. I will always remember her for her generosity and selflessness. She has left an empty space in my life. I hope that my respect and fondness for Susan will be some comfort to her family.
