“ *I didn't know Byron but Tim is an old friend. We had lots of fun back in the day on Johnson Street. I hope to catch up again soon Tim. Now about a year ago I met Skylar and I took to really liking to her. It's a small world we live in so remember to enjoy every moment. The family and friends are in my thoughts and prayers. ❤️*

“ *Byron was one of the most talented man I've ever meet. He will be missed by many. I felt privileged to be his friend and always was amazed by the things he did with his hands and how he would turn nothing into something .*
