I dont know where to start. You were my brother from another mother. I'm going to miss all your texts and calls. You always asking for a BIG TEXAS HUG. All the laughs and tears we've shared together. The Holiday's just won't be the same. My grandkids will miss you dearly. I know you're in a better place. no more pain. PEACE as you told me you wanted. I WILL ALWAYS LOVE YOU MY DEAR FRIEND. until we meet again.

“ We will miss you so much. Holidays will never be the same without you. The love you showed the Baker children over the years. You cherished the girls and they all loved you so much. No matter if you were napping or busy and they wanted to ride the skis, you took them and never skipped a beat. May you rest in eternal peace and we will all see you soon. ❤️

“ The 429 crew will understand. All the late night hide and seek in the buggies in the woods. We all laughed, hooped, Holland and raised hell. Todd often times led us out on the next run through the woods or into the mud. The amount of laughter could be heard through the park. You shared many years of fun and laughter with us all. You will be missed my friend. Rest In Peace Todd.

“ Todd I didn't know you as well as some of John's lake buddies but the conversations we had I'll always remember. You were such a nice, caring person with a great sense of humor. You will be missed. John was there to greet you I'm sure if it.

“ Todd would always be workin on his lot at the 429 RV park,he loved to eat bbq and the fixins,but didnt want any part of the cooking of it. That was ok with me as I did alot of the cookin out there and enjoyed it. If you needed help with labor or his knowledge he was there for you. The kids were all his kids also, it was obvious that was Todd. Theres one special girl that was probably his favorite Maddy ,I'm sure her heart is broken but will mend in time. To his immediate family up in yankee land Todd was a tremendous man,very dependable and giving but stern,you cannot find a better person or friend. May everyone's heart heal quickly and Todd's legacy live on. God Bless thank you for letting me write this.
