

Ventura Esquivel Luna

September 11, 1933 - February 17, 2025

Ventura Esquivel Luna was born on September 11, 1933, in Santa María del Refugio San Luis Potosí, Mexico, to Victoriano Esquivel and María Bernardina Luna. He passed away on February 17, 2025, surrounded by his children, grandchildren and loved ones. Ventura's life was built on being humble, loyalty. He loved telling stories about his life and how he was raised as a child, his greatest life lessons and talking about God. He was kind, selfless and strong. He enjoyed cookouts and being around family. He loved conversations, dancing to good Mexican music, and a lot of laughter with a nice cold michelada.. or a few.. If you ever got the chance to talk to him, you walked away loving him. He gave everything he had to the people he loved. He will be terribly missed. But we will always remember him through the great memories and love he has left us. We know you're finally home resting with grandma.

We'll see you again one day! He was preceded in death by his father, Victoriano Esquivel, his mother, María Bernardina Luna, and his siblings, Bernardina Esquivel, Petra Esquivel, Federico Esquivel. He is survived by his children, Rosa María Esquivel, Santiago Esquivel (Chago), Olga Lydia Esquivel, Alma Delia Esquivel, Armando Esquivel, Osbaldo Esquivel and Víctor Esquivel; and his grandchildren, Daira, Genesis, April, Pilar, Yesenia, Francisco, Salvador, Jessica, Salma, Carlos, Yari, Ivón, Wendy, Paola, Ian, Ángel, Tania, Mario, Carlos, Sonia, Aracely and all his nieces, nephews, and close family friends that were like family.
