

Wilfred (Bill) Halpin

January 12, 1971 - October 7, 2022

Wilfred Halpin III, 51, a longtime resident and 1989 Terrell High School graduate, passed away suddenly on October 7, 2022.

Bill Bill, as he was known to many, was a force larger than life. He always had a smile on his face and he loved to make people laugh. He had the gift of gab, and was quite the salesman, a fact he was proud of. He also enjoyed quiet conversation, had a knowledge in a wide variety of subjects, always good for a random fact and willing to add his opinion without solicitation.

The only thing that was bigger than his personality was his heart. Bill loved to help people, and no matter what was going on in his life, he was ready and willing to lend a hand. If Bill considered you a friend, he would try to move heaven and earth if he thought it would help you. What Bill loved most, however, was his family. He was a beloved Boom-Boom to all of his grandchildren, and he had special nicknames for all of them. He will be greatly missed by all his family and friends.

He was preceded in death by his mother-Beverly (Faries) Halpin, his father-Dennis Michael Halpin, brother- Donovan Halpin. Special dance partner and grandmother Flossie Frichette.

Surviving him are his wife, Stephanie Williamson Halpin, daughter: Mallory Halpin & granddaughter Emma Tisby; daughter: Kalyn Duke (Beau) &

grandsons, Braxton and Kason Duke: son, Blake Halpin (Brianna) & grandchildren, Myles and Everly Halpin: son, Shon Paul Armstrong all from Terrell and son, Alex Hayes & granddaughter Danielle Hayes of Minnesota. Nephew Donovan Halpin and Niece Madison Williamson.

Bill was a Boom-Boom to many children therefore donations in memory of Bill's life may be made to First Baptist Church, Terrell, Children's Ministry, 403 N. Catherine St., Terrell, 75160, Life Point Church, Children's Ministry, 1600 Griffith Ave., Terrell, 75160 or any ministry of your choice that serves children.

The family would like to offer their sincere thanks to all those who have shown their love in so many ways during this time.

“ Ok Bill Bill, I had the pleasure of working with “The Money Man” he was the best sales guy I have ever known. His Ora attracted people, I remember it was slow in the store I was working, he said have you done the money dance yet? I said what? He broke out dancing down the isle of the store and sure enough he ended up having a great profitable day. I loved that guy. I will never forget him and his million dollar personality!

“ Cousin Bill Bill, always so boisterous and loving. Always playing jokes on Aunt Bebbly, dancing with grandma Flossy, hiding Easter eggs for us every year, and giving me you last dollar for the ice cream truck. These are the memories I hold dear and close to my heart. I'm sure you're receiving a warm welcome home from our family waiting for you in heaven. May you rest in peace.

♥ Always,
Lindsay

I was saddened to hear of Bill Bill's passing. I think often of my life on Rellia Street. Flossy was the sweetest lady and Beverly was a good friend to my sweet Mama. Of course I snubbed Donovan & Bill Bill, they were best friends with my baby brother Gene and they were elementary and I was Middle school. My best friend lived across the street and those boys would try to impress us with their bicycle skills & skateboarding jumps! I have pictures of them on their bicycles packed away. I sure miss those days. I don't visit those memories often as I lost my Mama to lung cancer and my baby brother was murdered at 20. I never knew about Donovan passing. I bet the 3 of them had a wonderful reunion. Bev was a tad younger than my Mama. Those 2 and Flossy would get together for coffee on the weekends sometimes. My brother Gene was same age as Donovan and Bill Bill was always at their heels. He was the cutest white headed kid! He was a comedian and always doing some silly stunt to make you laugh. We moved from Rellia Street but I would visit Beverly, the Boys & Flossy on occasion when I went back to visit my best friend Michale and we are still best friends. Prayers for Bill Bill's family.

“ If he doesn't already know you, he knows you through one his friends, or after 5min you're no longer a stranger. He will bring you to a smile or laughter regardless of your mood. He knows how to have a good time! I wish I had his constant energy and joy of talking to people. It made him the best sincere yet dangerous salesman I've ever met! I hope to leave the same way he did without pain and suffering for everyone connected along the way. As for Stephanie and the kids, I'm sorry for this time of trauma, which no one gets to escape, and is difficult to accept as a part of creation.

“ I don't just have one memory of Bill. Every time I was around him he had me laughing. He was always smiling and had a way to turn your frown into one. I will miss him and my heart goes out to Stephanie and his children.
