

William "Bill" Signs

December 14, 1949 - September 2, 2023

William "Bill" Signs passed away with loved ones by his side on September 2, 2023. Bill was born on December 14, 1949 in Dallas, Texas to Kenneth Leroy and Myrtle Hazel Signs both of whom preceded Bill in death along with his brother, Richard Signs.

Bill was well known for his love and his occasional joking manner, just watch for the wink, and you could tell when the joking started. Bill was always clear about where his priorities were and at the top of the list was his faith and his family. Bill would give you the shirt off his back, the last \$20.00 bill in his pocket or anything else you might need, and he never expected to be repaid or the items returned. He was a hard worker and would give everything from his heart. At night fall, you could be sure that each member of the family was prayed for and thought of before he rested his head. A few keen sayings Bill was known for and will not be forgotten are "Wear your seatbelt!" and "Straighten up and fly right!" The family will honor Bill's request by buckling up and staying on the straight and narrow, in honor of this great man.

Those left to carry on Bill's love and legacy are his beloved wife, Frances Signs of Kaufman; daughter, Melinda Breazeale of Forney; granddaughters, Brittany Miller and husband Scott of Forney, and Haley Ward and husband Noah of Garland. Also left to carry on Bill's memories are his great grandchildren, Wyatt Ward and Harrison Miller; along with brother, Dennis Signs; and sister, Cheryl Johnson and husband Kevin; along with numerous nieces, nephews, family and friends, all of whom will miss Bill very much.

“ *William "Bill" Signs*

“ *I will always remember the many times Bill made sure my car was running and in good working order. You see, it was a piece of junk and it always had issues. It seemed that happened almost every time I spent the night at the Signs house in high school. Bill always came to the rescue and he never once complained. I always felt like one of their own and part of the family.*

Who knew many years later that my husband, Ken, would get the pleasure and joy of doing some work on their home. He instantly felt a connection to Bill. They talked about so many things and my husband Ken thought the world of him.

Rest in peace Bill, you will forever hold a special place in our hearts.

*Love,
Becky and Ken Winn*

Bill was a great coworker and friend. He was guided the character. He will be dearly missed by many phone men. My prayers go out to the family. RIP Bill. When I get to heaven with you we will burn one.

“ My husband and I met Bill many years ago as we are neighbor's who live across the street from each other. Bill was not only our neighbor, but he and his wife Frances became our dear friends. Bill always had a big smile on his face and a big wave every time we saw each other. Bill had a heart of gold and always a kind word when we crossed paths. I will miss seeing Bill mowing his lawn or talking to him while on my walks with my dogs. He always made it a point to stop and talk to me and make silly comments about buying me a dog sled for my 5 dogs to pull me. We will miss you!
